PROFESSIONAL EXPERIENCE & LEADERSHIP

Founder & CEO — Soros Corporation

2024 – Present

- Leading development of a crypto-enabled e-commerce marketplace integrating digital asset payments with retail vendors.
- Managing a cross-functional team of 6 software engineers and designers during pre-launch product and infrastructure buildout.
- Coordinating operational planning, partnerships, and strategic development ahead of platform launch.

Founder & Director — Prosper Collective

2021 – 2023

- Founded and operated a marketing and advisory agency supporting early-stage blockchain and technology startups.
- Helped clients grow social communities to 500K+ followers across Twitter/X through targeted campaign strategies.
- Led client onboarding, project planning, and execution across multiple concurrent engagements.
- Managed marketing strategy, deliverables, and stakeholder communication in remote team environments.

Paralegal — Korsunskiy Legal Group

2020 – 2021

- Drafted and organized legal documents and case materials for high-volume personal injury matters.
- Processed, tracked, and shipped large volumes of invoices and case documentation, ensuring accuracy and timely delivery.
- Maintained structured client and medical records, supporting efficient case management and settlements.

Production Assistant — Avant Art Glass

2019 – 2021

- Supported production of custom architectural glass installations for residential and commercial clients.
- Maintained organized production workflows and inventory in a high-precision manufacturing environment.
- Coordinated material preparation, packaging, and logistics for multi-phase project fulfillment.
